Start Formalities

It is recommended that you arrive at the Start Venue at least one hour before your start time. Firstly, after arrival, present your vehicle at the Scrutineering point shown on your map, in order for your car to be checked by the Official Scrutineer. Here you will be given a Process Card. After being Scrutineered, please park up in the Event Car Park as indicated on the Venue Map – Cars 1 to 25 on the left, Cars 26 to 50 on the right.

Take your Process Card to the Secretary of the Meeting in order to sign on. (Note: Driver/Co Driver and any passengers must all sign on) You will then be given your personal documentation, consisting of Meal Tickets for breakfast, and evening buffet, your Route Check Point Record Cards, Road Book and Rally Plates, etc. (SSRs 5f mod)

Please be ready to start at your designated Start Time.

At the start time present your Check Point Record Card to the start marshal, who will sign it as you leave. On the route not every junction is indicated. The correct route follows the obvious "main" road until the inter. mileage from the previous instruction has been completed. You should then be at a junction which agrees with the next instruction.

Whilst following the route you will find that certain points are designated as "Check Points". These will be either unmanned or manned. At the former you will find a board bearing code letters and these must be entered in the appropriate space on your Check Point Record Card. At the latter, the marshal will sign your Check Point Record Card to prove that you arrived at that point during the period of your time window. This period will be stated on your Check Point Record Card.

At the finish of the Run all entrants with a "Full House" on their Check Point Record Cards will be entered in a prize draw for various awards.
